Fellow Toastmasters in District 67,

Welcome to your fall district conference. This is an exciting weekend where you can meet your fellow members, share experiences with your leaders and celebrate successes. It's also a great opportunity to renew friendships and make new friends across the district.

This is also an ideal time to focus on learning from the educational sessions and the scintillating speech contests. Your leaders need your support and encouragement to ensure that your district has a successful year.

Most importantly, be sure to share your experiences with members who could not attend. This may encourage them to go in the spring, when all future conferences will be held.

As always, thank you for all you do.

D67 的會員們：

歡迎參加今年的秋季大會！在這個令人興奮的週末來和會友們相聚，分享你們的領導經驗並一同慶賀大會的成功，這也是絕佳的機會重溫會員們的情誼，並結交從全國各地來的新朋友！

這同時也是個超棒時機，把焦點放在見習教育課程及精采可期的演講比賽！領導者們需要你的支持鼓勵來協助 D67 再創佳績。

最重要的是，請把你的經驗分享給沒辦法來參加本次秋季大會的會員們，這將鼓勵他們來參加以後每年僅一次在春季舉行的全國大會！再次感謝大家的付出。

Mike Storkey, DTM

2016-2017 世界總會長

International President

Fellow Toastmasters in District 67,

Welcome to your district conference: Aim High! Thrive and Shine! Over the weekend, enjoy the opportunity to hone your skills as a communicator and leader, and to extend your knowledge by networking with your fellow members from around the district. Friendships will be made and renewed as you celebrate each other's successes, find new ways to tackle common challenges, and hear speakers who will entertain and inspire you.

Ensure you get full value from this opportunity by participating in the atmosphere of fun, excitement and stimulation the conference offers. Most importantly, when you return to your respective clubs, share your experiences with members who could not attend the conference. Remember, knowledge is only worth something when you share it with others. Please make a point of remembering the members who could not make it and make them feel part of the event.

致 中華民國國際演講協會的會友們：

歡迎各位來到秋季大會，希望在本週末您能藉此良緣，精進自身的溝通及領導能力，並同各地的會友相互交流以增廣見聞。在此大會，我們不僅可為新朋老友の成就彼此喝采、也可受到新的啟發以面對日常種種挑戰，同時更可欣賞到許多高娛樂性且激勵人心的演講。

另外也請盡情享受大會歡愉、振奮又刺激的每一刻，如此才不至入寶山卻空手而回。不過更重要的，就是回到您的分會後，請記得向無法參加秋季大會的會友，分享您的經驗，讓他們也能身歷其境大會的感受。請別忘了，唯有透過分享，知識才得以具有價值。

Pat Johnson, DTM

2010-2011 世界總會長

International President

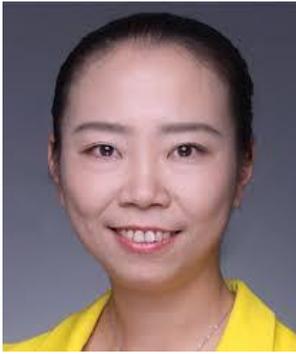

Greetings to all friends and members of District 67,

I am honored and thrilled to send greetings to you on the occasion of your fall conference in Taiwan. I had the distinct pleasure of meeting and chatting with your District Director while she was in Vancouver at our International Convention this past month of August. I know you have a dynamic year ahead as a district.

It seems like such a short time ago I was part of your brilliant spring conference in Taichung where I witnessed your District's growth and excitement. It was an honor to meet and visit with so many of you at that time and now it is my distinct pleasure to send you best wishes for another very successful conference as well as an outstanding year ahead. My best wishes also to my long term friends and colleagues within your district whom I look forward to reconnecting with whenever and wherever our paths cross.

This conference is a great personal opportunity to meet with new Toastmasters and share in their excitement for our program. It is an opportunity to renew connections with fellow members and discuss their progress and development within Toastmasters. There is much to celebrate. The conference also provides time to share fellowship, as well as to share in the celebration of your District's outstanding goals and achievements! I know that each one of you will leave with at least one treasured memory during this event.

I appreciate that countless hours of thought and preparation have gone into this conference by many of your District leaders. As a result, you are in for a great learning experience. Enjoy it to the fullest. Although I am not there in person with you for this conference, I am there in spirit. I send my very best wishes to each of you, my dear friends and fellow Toastmasters in District 67!

Ligo Wang, DTM Region 13 Advisor 第13區區域顧問

Dear fellow Toastmasters members of Taiwan,

In the eastern part of China, there is one kind of bamboo called Moso bamboo. The farmers plant the seeds of Moso bamboo everywhere and take good care of them. In four years, the bamboo only grew four centimeters, so people couldn't understand why the farmers are so stupid. From the fifth year, the Moso bamboo grew 30 centimeters EVERYDAY!!! In six weeks, the bamboo had grown to 15 meters. In six weeks, the areas planted with bamboo changed from a barren land into a sea of green bamboo. It looks like the crazy growth of the Moso bamboo happened within six weeks.

And the truth is the Moso bamboo takes four years to develop its roots, growing deep into the earth for hundreds of meters. District 67 has a long history and many senior members, just like the Moso bamboo, let's grow together.

Aim High! Thrive and Shine! Have fun and enjoy your Toastmasters Journey!

親愛的國際演講會台灣區會員：

中國的東部，有一種名為"孟宗竹"的竹子。竹農們在地面上到處播種孟宗竹的種子，並且用心培育孟宗竹成長。在一開始的頭四年期間，竹子只成長了4公分，人們不懂為什麼竹農這麼傻，要種植這種竹子。但從第五年起，孟宗竹**每天**長高30公分。六個星期內，竹子長大到15公尺。六個星期內，種植竹子的竹林，從一無所有變成一片綠色的竹海。這種景象就好像孟宗竹在6個星期內就瘋狂的長大。

然而真相是：孟宗竹花了4年的時間在大地扎根生長數百米深。D67國際演講會擁有悠久的歷史與眾多資深的會員，正如同孟宗竹般，讓我們一起“邁向巔峰，活得精彩”。

開心地享受國際演講會的旅程吧！

Aim high! Thrive and Shine!

It's the tagline that I like to share with members and leaders at District 67 this year. I've seen so many shining examples over past years how members thrive and shone by executing "Aim high!" They shaped and transformed themselves to an amazing extent. By aiming high we will not only realize our potentials, but also achieve our goals and reach for our dreams. Yet, without well-built skills and fostered personal growth, aiming high are simply words, and words mean nothing without actions!

Regular meetings, trainings, workshops, contests, celebrations, etc., are programs designed to help us reach our goals and achieve our dreams. Still if you miss the biggest all-in-one education and training program, 2017 District 67 Fall Conference, you are only halfway there, and you lose the only opportunity of standing on the mountain top to enjoy the magnificently breath-taking and awe-inspiring view. District Fall Conferences will be history. That's why we booked the world class conference center, Chang Yung-Fa Foundation CCI; and we spared no efforts to make it the most exciting, most versatile, and most rewarding last fall event ever! Aim High! Learn from the top notch trainers and speakers, enjoy the most exciting contests and the richest programs, and meet most VIPs from around the world! With enriched and enhanced skills and competences, let's thrive and shine together!

邁向顛峰活得精彩

“邁向顛峰, 活得精彩!” 是我今年和大家分享的話語。這些年我看到不少會員因設定高遠目標而得以脫胎換骨, 獲得傲人的成就。

設定高遠目標不僅能發現自我潛力, 也是實現夢想的必要精神。但如果不增強自己的技能, 追求個人成長, 是難以圓夢的。

演講會提供特別設計的例會, 訓練, 工作坊, 比賽及各項慶祝活動幫助我們達成目標, 實現夢想。不過假如你錯過這一次最具規模、集所有教育及訓練活動大成的 2017 年秋季大會, 就如同錯過置身巔峰眺望屏息美景的機會。

秋季大會將成絕響, 所以我們這一次特別將大會辦在具世界水準的張榮發會議中心, 並且不遺餘力的打造一個豐富、多元、最超值、僅此一次的秋季大會。

目標訂得高遠就要向一流專家學習、觀摩最精彩的比賽、置身節目最豐富的大會及會見來自世界各地的貴賓, 藉此打造無敵不克、無戰不勝的技巧及能力。讓我們大家一起發光發熱, 邁向顛峰!

Simone Nash 吳慧妮, DTM Program Quality Director 總會課程品質執行長

Dear fellow Toastmasters,

To be the best, learn from the best. This is a quote from Darren LaCroix, 2001 World Champion of Public Speaking. There is no better place to achieve this than at the Toastmasters District Fall Conference on November 25-26, 2017! We couldn't ask for more with a superstar keynote speaker, Ed Tate and 12 educational training sessions, not to mention the Humorous Speech and Evaluation contests in four languages! Let's enjoy this last Fall Conference ever!

Another major focus of District 67 is the new educational system from Toastmasters International. Pathways will be rolled out in District 67 in April 2018. This has been officially announced. Thanks to the tremendous dedication of Mike Yang, Pathways Chief Ambassador, our district is well on its way to getting ready for the rollout. We now have a complete team of Pathways Ambassadors and Pathways Guides to support the smooth transfer to Pathways at every club. Each club will have its own Pathways Guide to teach and support the use of 'Base Camp', the Internet-based system where you will access all of the materials in this new educational program. If you are working hard on achieving your DTM, don't worry! You still have two years from approximately June 2018 to complete your DTM under the current educational system. Also, clubs will be able to achieve DCP with a combination of new and old goals. Your Pathways Ambassadors and Guides will share all the latest information on Pathways with you!

親愛的會員們：

想要成為最棒的，就要向最棒的人學習，這是 2001 世界演講冠軍達倫拉闊依的名句。今年 11 月 25-26 日舉行的中華民國國際演講會的秋季大會就是一個最佳的學習場所，有巨星級講者 Ed Tate 的專題演講和其他 12 場教育訓練，更有四種語言的幽默演講比賽和講評比賽！讓我們一起來享受這史上最後一場秋季大會吧！

國際演講會的新教育制度 Pathways 是另一重要焦點，正式公佈的消息指出這新教育制度將於 2018 年四月在台灣推出，感恩楊冀光前總會長擔任推廣大使團主席並不遺餘力的宣傳推廣，台灣總會目前已萬事俱備等待正式推出，推廣大使和指導員團隊們陣容堅強，將強力支援各分會使新舊制度轉換順暢，各分會將有自己的指導員來輔導協助會員們使用以網路為主的"Base Camp"（意譯：學習資料庫），會員們可以經由網路來存取這新教育制度的所有教育資料。如果你正努力達成 DTM，別擔心，你還有兩年的重疊期（約自 2018 六月算起）可以使用現有制度。並且，成功分會計畫(DCP)也能新舊制度並行。推廣大使和指導員將陸續與您們分享教育制度 Pathways 的所有最新訊息。

Tension Wu 吳天勝, DTM Club Growth Director 總會分會成長執行長

Fall conference is one of the best times to enjoy and learn from distinguished members around the country. Therefore, I would also like to share and exchange what I have learned and the benefits I have gained with you.

The 3K Evaluation

The 3K's stand for Kiss, Kick, and Kiss. It has been very helpful in changing the way I give feedback when I am conducting evaluations. I have changed from giving ego-feeding comments to respectful and constructive ones first. People like to be acknowledged first for their efforts and with a supportive atmosphere; they'll be more willing to accept your recommendations. This technique is useful for both the workplace and daily life because usually people tend to point out the problem right at the start, but Toastmasters trains us to be supportive and give useful and constructive recommendations.

Some people are curious as to why I'm a member of three different clubs: Bilingual, Young, and Advanced. I feel that the better way to invest myself is to remain positive and keep in a supportive and energetic environment. Different clubs will provide me with different opportunities to learn and ensure that I continue to charge forward and change the way I communicate with others. This is the last fall conference of Toastmasters, so I hope you will attend and learn from the different educational workshops and enjoy the excitement of the different contests.

全國秋季大會是一個全國會友學習、分享、切磋的一個最好時機，因此，我也拋磚引玉分享我的學習與收穫來交流。

講評訓練—潛移默化對[人]以正面性、支持性態度建議，讓對方認同並接受三明治講評

(Kiss, Kick, Kiss)對我有很大助益是轉化我給人意見的態度，由[自我意見]改為[尊他建議]，以支持性、正面性的態度，先找優點營造正面性、支持性的氛圍，先肯定認同對方，再提出改善建議最容易接受。此技巧應用在工作及生活助益更大，因很多場合是先挑缺點直接給意見，講評訓練我改變心態、觀念，您懂他的心，他更願接受甚至感謝。

有些人好奇我同時是雙語、年輕漾、進階三個分會會員，因我認為要持續在一個正能量並且充滿鼓勵的環境裡才能不斷精進並改變和別人的溝通模式，更是把小錢從口袋存進腦袋的最佳投資自己方式。這是最後一個秋季大會，希望大家踴躍參與各種成長自己的教育訓練和體驗演講比賽的啟發與幽默。

Mike Yang 楊冀光, DTM Chief Pathways Ambassador Pathways推廣大使主席

Are You Ready for Pathways?

Pathways (formerly known as REP) was originated from Toastmasters Board of Directors' five-year strategic plan in 2010 to modernize and revitalize current education system and materials by stressing the equal importance of communication and leadership learning! This brand new program from its concept, survey, development to various levels of pilot has been going on over 7 years! Starting from this year, Pathways has been rolled out in many regions of the world and it is scheduled to be rolled out in our District in April next year! Pathways is the biggest evolution in education system & materials in the history of Toastmasters International (TI) since its founding in 1924! It is highlighted by greater access to new educational materials and expanded tools and resources of learning through modern technologies, as well as a customized learning experience designed to help members meet personal and professional goals.

Ever since I took the chair of a 19-member Pathways Ambassador Committee 4 years ago, our team has been closely monitored the process of Pathways development. We have learned that TI has been devoted so much to make Pathways the best world class education program! The plan for sending ambassadors to visit all our clubs by the end of this year was made to introduce & promote Pathways! I also worked with our PQD Simone Nash to recruit Pathways Guides and map out the training plan to prepare for its rollout! Yes, we are so excited to welcome this brand new challenge of Pathways learning! Dear fellow members, are you ready?!

準備好迎接 Pathways 了嗎?

Pathways(原為 REP)起源自 2010 年國際演講會理事會的五年策略計畫，以溝通與領導學習並重的方式，將現有的教育體系與課程全面更新與現代化。這一嶄新的學習從構想、調查、發展到各階段的測試已歷經七年，今年起已陸續在世界幾個區域推行，預計即將於明年四月在我們台灣地區展開!Pathways 是國際演講會自 1924 年創立以來對訓練制度與教材上最大的變革，其特點在於以現代的科技方便取得與學習最新的教材，並能運用更廣泛的工具與資源以及打造針對會員個人與專業目標的客製化學習經驗。

本人自擔任 Pathways 推廣大使主席四年多來，帶領著共 19 人的大使團隊密切關注其發展的過程；我們深知 TI 對 Pathways 的進行持著認真與求好的用心，以打造出世界級一流的教育內容!我們計劃在本年底前完成大使們對所有分會作 Pathways 介紹的訪問，同時 PQD Simone Nash 與本人已規劃妥當未來 Pathways Guide(指導)的人選與工作計畫，以作好 Pathways 推出前的相關訓練與準備!

大家都充滿了熱忱與信心迎接一個嶄新的學習與挑戰!親愛的會員們，你準備好了嗎?!

**Beyond Vision:
The Unexpected Ingredient to the Awakened Champion in You.**

Is "smart" still sexy? In his third and final installment of "The Awakened Champions" series, our workshop host, Anson Sat examines one of the most important ingredients to an abundant and successful life: a sense of humor. This interactive workshop will help you understand why this simple quality is critical to our personal and professional development. With our society becoming more and more inundated with information, mired with endless how-to's and step-by-step programs, Anson Sat aims to clear the air about what we can do to be more impactful by having a sense of humor and to make "joy" the new sexy.

Anson Sat began his Toastmasters journey in 2010 with ALEMAX Toastmasters in Kaohsiung. He has been an integral part of D67 not only on the stage competing, but also as a trainer at clubs, officer training, and conferences. The year 2013 marked his breakout year winning the district prepared speech finals and representing D67 at the International Convention in Cincinnati, USA. This he is a club coach and D3 area director. This past August, he organized "The Night of Champions", the largest joint meeting featuring the most district champions and world champions in a single meeting. This "regular" meeting was featured in several Taiwanese media outlets. Originally from Edmonton, Canada, Anson moved to Kaohsiung in 2003 teaching English and is currently project manager for Masterpiece Coaching and SunReach.

Hero's Journey

Time: 11/26/2017, 10:30-11:30 (60')

Venue: 6F, Room 603

Hero's Journey

The 12 stages of the Hero's journey is the secret to how great books, plays and movies are created.

For us Toastmasters this is a great structure for a speech, especially if you're speaking about a universal subject that the entire audience can relate to (essential for winning speeches).

By learning how to use this storytelling approach, you will tap into a powerful, unconscious reservoir in your audience: the shared experience of overcoming life's hurdles, of striving to excel and triumph. When your stories touch this, your audience will not only hear your message, they will remember it!

Josh majored in Method Acting and has a Master's in Education. With his strong background in Theater and his 8 years as a Toastmaster he has a unique perspective and insight into speech writing, storytelling and stagecraft.

He is the founding member of Taichung Improv (an improvised comedy group) as well as Taichung Theater Collective that initiates and develops theater projects in Central Taiwan. He works as a teacher, trainer, coach, performer and facilitator with kids and adults.

He was the D67 International Prepared Speech Champion in 2014 and represented Taiwan at the 2014 World Championships of Public Speaking semi-finals in KL, Malaysia.

俗諺運用與韻律-- 從冠軍講稿談起

工作坊介紹：俗諺運用與語言韻律--從冠軍講稿談起

會說話沒什麼了不起，話說的漂亮可就不容易！不知影台語有多美，會講台語級數低，事實上，通俗的台語不但生動活潑，而且充滿古人的生活智慧，一旦深入堂奧，就會深深著迷。台語的美，從哪些地方可以看出？水噹噹、水噴噴、水嚶嚶、心酸酸、爛糜糜、痛丟丟……這些聲韻美及形象美，是不是既有韻致又能引發想像呢？除優美的詞彙之外，押韻、激骨仔話（孽畜仔話）、四句聯、俗諺語、歌謠、謎猜、相褒歌……都有趣極了！不必全盤了解，只要略知一二，都十分享受。說話或撰稿時，能善加運用，便可增加語言的美感，展現多元的趣味。而其中語言的律動感也獨具一格。能有節奏性的、有規律性的、有協調性的鋪排美的台語，讓同一元素連續、反覆、交替的出現，做漸強、漸弱、漸大、漸小、高高低低等等不同的排列，也就能透過層次變化形成獨有的韻律美感，在聽覺上，音節聲調的起伏跌宕，語流的自然湧動，都是台語美的極品！想多了解運用之妙產生的效果嗎？讓我們一起從冠軍講稿談起吧！

Jorie Wu, DTM

Savoring a Second DTM

I earned my first DTM 9 years after I joined Toastmasters in 1999. I was under pressure to complete it before being inaugurated as District Governor in 2000.

Since then, I have had no ambition to achieve another DTM so I was simply meandering, delivering different manuals randomly and taking mostly evaluation assignments only; I felt I had plateaued out without a goal. It was only when I learned about Pathways, I made a decision that I wanted to complete another DTM and reach some kind of closure with the old system.

Finally, in July 2017, I accomplished my second DTM. Hence, the first DTM took 9 years and 18 years for the second DTM. It's not easier the second time around yet it is definitely worthy. In savoring my two DTMS, here are my reflections:

1. You must have a plan to complete your DTM, as without a plan, you'll just be meandering and procrastinating in your learning journey and possibly diminish the passion for Toastmasters.
2. For my first DTM, I chose advanced manuals that I felt more comfortable with or thought were easier to tackle, such as Speaking to Inform, Storytelling etc. For the second DTM, I expanded my learning edge and chose something that is really not in my nature, such as Humorously Speaking, The Professional Speaker, etc. It required longer preparation yet the learning and rewards were tremendously enjoyable.
3. As a more polished speaker, I know more about how to use creativity and facilitation in delivering training. As a seasoned DTM, I felt refreshed on the journey again.
4. The journey to DTM is a journey to reflect on your experience, beliefs and passion. My journey to DTM offered a systematic trajectory to reexamine my life and rejuvenate myself.

Every accomplishment starts with a decision to try. I invite you to keep moving forward on *your* journey to DTM, pace yourself and savor the taste of transformation!

Joyce Hu, DTM

*Some beautiful paths cannot be discovered
without getting lost.*

I joined Toastmasters in 2001 and finished what I started 16 years later. It's a journey of lost and found from Taiwan to Shanghai and then back to Taiwan. And my membership history in dormancy is longer than in good standing!

I walked away three times and reinstated four times. Walking away is neither giving up nor showing weakness. Coming back to where I started is not the same as never leaving. Instead, the journey back always reveals something new. No man ever steps in the same river twice, for it's not the same river and he's not the same man. A woman stepped out and back in Toastmasters several times, from disappeared toastmaster to distinguished toastmaster. Technically speaking, she didn't walk away but came forward.

With pressure and pleasure, I've come a long way. An unfinished journey is like an unfulfilled dream that keeps me alive. Once you have traveled, the voyage never ends. My zigzag Toastmasters journey explains that I want to do what I want my own way. Thank you, Toastmasters. For a simple idea, put to work in so simple a manner, has grown into such an instrument of service for so many people to learn and grow together.

One speech at a time, one assignment in a meeting, progress is tracked. Anything goes, everything counts. Even though we are of many different ages and have all kinds of interest, working together we bring out the best in each other. Share your story, and enjoy the journey.

一次會議一個演講，一次開會一個角色，凡走過必留痕跡，進度與進步都有
跡可循。登頂並不是為了讓世界看到我，而是讓我看到整個世界。

Mark Ma, DTM

To tell the truth, my DTM journey was not as smooth as you thought, but I strive
By following two disciplines which are learning by doing and never give up!

I have an extraordinary memory, let's see how I was inspired:

Jo Wu persuaded me to join Arris club, which has become my strong support; otherwise, I'd still just be a lab rat. Y.S.Liao said, "You've got potential to be a leader". King Lee and Larry Lee guided me through my HPL project. Tim Huang said I became shiny after I completed more speeches.

Sterling Hsiao lets me witness the attitude of being an artist. Tim Cheng gave me the chance to be a vice Division director, and Sam Kang let me be a TM contest chair. Trini Ding asks me to group people to sing songs. JR Yang even invited me to be a Mandarin IE. Mike Yang even praised me, saying I am a national treasure! I still remember the lectures by those senior members!

"Do you have any jobs you can't do?" I have heard it more than a thousand times!

It may be the reason I keep moving on! But who can say he knows everything?

See, how important it is to inspire people!

Through sharing with each other, I know Rachael Yang likes Chinese opera, Bright Huang likes to play the ocarina, and we have even formed a band! Jany Chi gives me a chance to help the Innovative club with Kaku Kuo. Celia Du made my dream come true to host a singing program. Helen Lin and Karen Liu teach me Japanese, and Marion Batard teaches me French. Marian Hsiao and Edward Chen invited me to play the piano at the Formosa club's Christmas party. Caroline Kiang lets me take the role of guitar player on in D67's Flash mob activity. Rebecca Chang kindly helped me to ask for help when my Mom was sick.

The fighter is eager for a stage. Being a magician, a voluntary pianist, and an IC designer, I never thought I would devote myself to this big warm family to join most of the big events!

Now you know how we interact with the members? I just want to let those persons who are still hesitating to join know that a Toastmasters club is really a place which is worthy to spend your time for your entire life! I just want to say, it gives me the chance to make my dream come true. We are not afraid of making mistakes, and that is why I have already completed 100 speeches so soon. I want to quote Sherry Li's sentence, "why do we need to join a TM club? Give yourself an unforgettable memory!"

It is from the bottom of my heart without rhetorical devices. I owe this DTM credit to you all, my dear TM friends!

How Toastmasters helped me win "The New York Times" TV Commercial Audition

Debbie Tsai Email platonc25@gmail.com

Journey Highlight: KTC president 1999-2000, 2010-2011

Division D Governor 2009-2010

District PRO 2014-2015

I am proud to be a Toastmaster. I am even more proud to be a Distinguished Toastmaster. When I just joined Toastmasters, I didn't know how much I would grow. Toastmasters offers many ways for you to learn. My favorite—and the one where I have grown the most—is the speech contest.

Toastmasters speech contests preaches resilience and determination.

I love the movie, La Land, it also preaches resilience and determination.

The movie, La Land, portrays two characters that are beaten down time and time again, but eventually revel in success because they never gave up. So much like contestants in Toastmasters contests. Being a contestant pushes you to take on challenges that you wouldn't have taken on by yourself.

In year 2003, I broke through my barrier and made it to the District Humorous finals. The Humorous Speech Contest is the most fun for the spectator. In the contest, you meet other strong speakers, and learn from their styles. The District contest gives you that "larger audience" experience.

It was because of the numerous contest training opportunities in Toastmasters that gave me the courage to enter the "The New York Times" TV commercial audition in Taiwan in 2005. I used what I'd learned from Toastmasters humorous speech contests and the Humorously Speaking manual to "Tell people that you are the best, and they will definitely hate you. Make them feel superior, and they'll appreciate you." I used self-deprecating humor to share my own experience to connect to the story theme of The New York Times, and I finally won the audition, but best of all, they even used my own story in their TV commercial.

Speaking in Toastmasters provides challenges and plenty of opportunities to be proud of your accomplishments. The more you expand your skills and talents, the more confidence you have in yourself! Thanks to Toastmasters I've tried new things I wouldn't have tried before.

Mark Blank, DTM

**You might be wondering,
“Why did you complete a second DTM?”**

As Sir George Mallory responded when asked why he wanted to climb Mt. Everest: “because it’s there!” Luckily, my DTM challenges were not as dangerous (even when it felt scary). We often progress towards a Toastmasters milestone simply because we’ve reached one milestone and the next one is here—waiting for us, calling for us, challenging us.

This self-motivating Toastmasters system also drove me forward via the DCP, which pulls members together to meet goals. When my club needed an advanced award for the DCP, I completed speech manuals. As a result, I couldn’t avoid advancement toward DTM, and even Triple Crown.

My second DTM was easier than my first one because I had a head start. Firstly, I had already started a second CC manual with Chinese speeches. Secondly, when I started Toastmasters, I bought all the advanced manuals and did speeches from about twelve of them. So when I completed DTM-1, I was part way through other advanced manuals and on my way to DTM-2. Though this approach slowed progress to DTM-1, it created valuable learning experiences with relevant, meaningful and memorable speech guidance. I used the Humorously Speaking manual to prepare for contests, the Persuasive Speaking manual to motivate members, and so on. I had relevant training material to support my speech planning, and my speeches were well suited to the manual objectives.

“So, what’s next?” you might ask. Well, I’ll complete a third CC manual while I eagerly wait for the Taiwan launch of the new Pathways program. Then, as soon as it’s available in Taiwan, I’ll start this new training and eventually earn a Pathways program DTM—because it’s there.

Caroline Kiang, DTM

第四個 DTM 回顧

Looking Back at The Fourth DTM

不放手 直到夢想到手

Do not let go until the dream is realized.

國際演講會平均是 7-8 年拿到一個 DTM, 我卻在八年四個月, 拿到四個 DTM, 也許很多會員會想知道是怎麼辦到的? 就是努力, 努力再努力, 不放手, 直到夢想到手。我曾經為了 D67 全區的名譽在一個月內講完十獎, 幫當年 D67 拿到唯一的總會長傑出分區獎--雖然我人已經出國, 為了總會的榮譽, 帶著打球受傷的腳裸, 持著拐杖, 看著汽車上的 GPS, 在美國各地去找沒看過的四個分會, 在這四個分會演講中, 我拿到三個最佳演說員獎章, (有一個分會沒有投票)。

我也是為了 D67 的成績, 在 2016 的圓山飯店春季大會中, 別人都入夢鄉, 早上五點我還沒上床, 在跟海外要來參加的貴賓們, 商量更好的接待方法。

雖然辛苦, 可是苦得有價值, 不但在台灣, 也在亞洲各地交到了一堆熱血, 熱誠, 熱情的好朋友。

世界演講會中唯一製作的快閃是在台灣 (台北火車站), 有 150,000 人看過, 這應該是全 D67 的驕傲。 <https://youtu.be/YiV4HltR1eM>

如果尚未看過的歡迎觀賞。

這篇的全文在傑出會員 DTM 的回顧內, 我們的教育副總會長說只能提供 400 字, 所以請大家到下面網頁閱讀全文。謝謝一路上陪我, 伴我的會員, 好友及我的另一半。(花若盛開, 蝴蝶自來, 人若精彩, 天自安排) 讓我們一起找到我們心中的夢想。
